

# Doubles Facts

**Home Link**  
2.3

**Family Note**

Today we worked with an Addition/Subtraction Facts Table and dominoes to practice with a special kind of addition problem called doubles facts.  $3 + 3 = 6$ ,  $4 + 4 = 8$ , and  $5 + 5 = 10$  are examples of doubles facts. We also worked with almost-doubles facts, such as  $3 + 4 = 7$ ,  $5 + 4 = 9$ , and  $7 + 8 = 15$ . Review doubles facts and almost-doubles facts with your child.

*Please return this Home Link to school tomorrow.*

## 1. Write the sum for each doubles fact.

**a.**  $2 + 2 = \underline{\quad}$       **b.**  $\underline{\quad} = 5 + 5$       **c.**  $\underline{\quad} = 0 + 0$

<b>d.</b>	$\begin{array}{r} 7 \\ + 7 \\ \hline \end{array}$	<b>e.</b>	$\begin{array}{r} 3 \\ + 3 \\ \hline \end{array}$	<b>f.</b>	$\begin{array}{r} 8 \\ + 8 \\ \hline \end{array}$	<b>g.</b>	$\begin{array}{r} 6 \\ + 6 \\ \hline \end{array}$
-----------	---------------------------------------------------	-----------	---------------------------------------------------	-----------	---------------------------------------------------	-----------	---------------------------------------------------

**h.**  $9 + 9 = \underline{\quad}$       **i.**  $\underline{\quad} = 1 + 1$       **j.**  $\underline{\quad} = 4 + 4$

## 2. Ask someone to give you doubles facts. You say the sums. Do this for about 10 minutes or until you know all the doubles facts.

## 3. Write each sum. Use doubles facts to help you.

**a.**  $5 + 4 = \underline{\quad}$       **b.**  $4 + 5 = \underline{\quad}$       **c.**  $\underline{\quad} = 9 + 8$

<b>d.</b>	$\begin{array}{r} 6 \\ + 7 \\ \hline \end{array}$	<b>e.</b>	$\begin{array}{r} 2 \\ + 3 \\ \hline \end{array}$	<b>f.</b>	$\begin{array}{r} 7 \\ + 8 \\ \hline \end{array}$	<b>g.</b>	$\begin{array}{r} 6 \\ + 5 \\ \hline \end{array}$
-----------	---------------------------------------------------	-----------	---------------------------------------------------	-----------	---------------------------------------------------	-----------	---------------------------------------------------
