

Biography/Memoir

Personality Bags

The goal of this book report is for you to select objects that show the characteristics of the personality in your book and present them in an oral report.

Suggested Materials:

1. Book report format: to record factual information from the book
2. Bag: to collect objects

Directions:

1. Find a biography/memoir book that interests you and is at an appropriate reading level for you. Have your book approved by your teacher.

Book Title: _____
Author: _____

2. As you read your book, take notes on the book report format provided.

3. Also, as you read find objects around your house, cut out pictures from magazines, and/or draw a picture to illustrate the main characteristics of the life of the person in your book. Put the things you collected into a "personality bag".
What I am looking for: a person that was daring or physically fit may have been a skateboarder if they lived in modern times, so put a mini board in your bag
What I am not looking for: George Washington rode a horse, so put a horse in your bag

4. Be prepared to present the objects and explain how each object represents personality characteristics of the person in your biography/memoir book.
