Setting Map

For this project, you'll choose an important setting and make a map of it. On your map, you'll indicate where events took place and include other noteworthy information. You will also include illustrations and labels.

Materials:

1. large square sheet of white construction paper
2. colored pencils

Directions:

1. Find a book of mystery that interests you and is at an appropriate reading level for you. Have your book approved by your teacher.

Book Title: _____

Author: _____

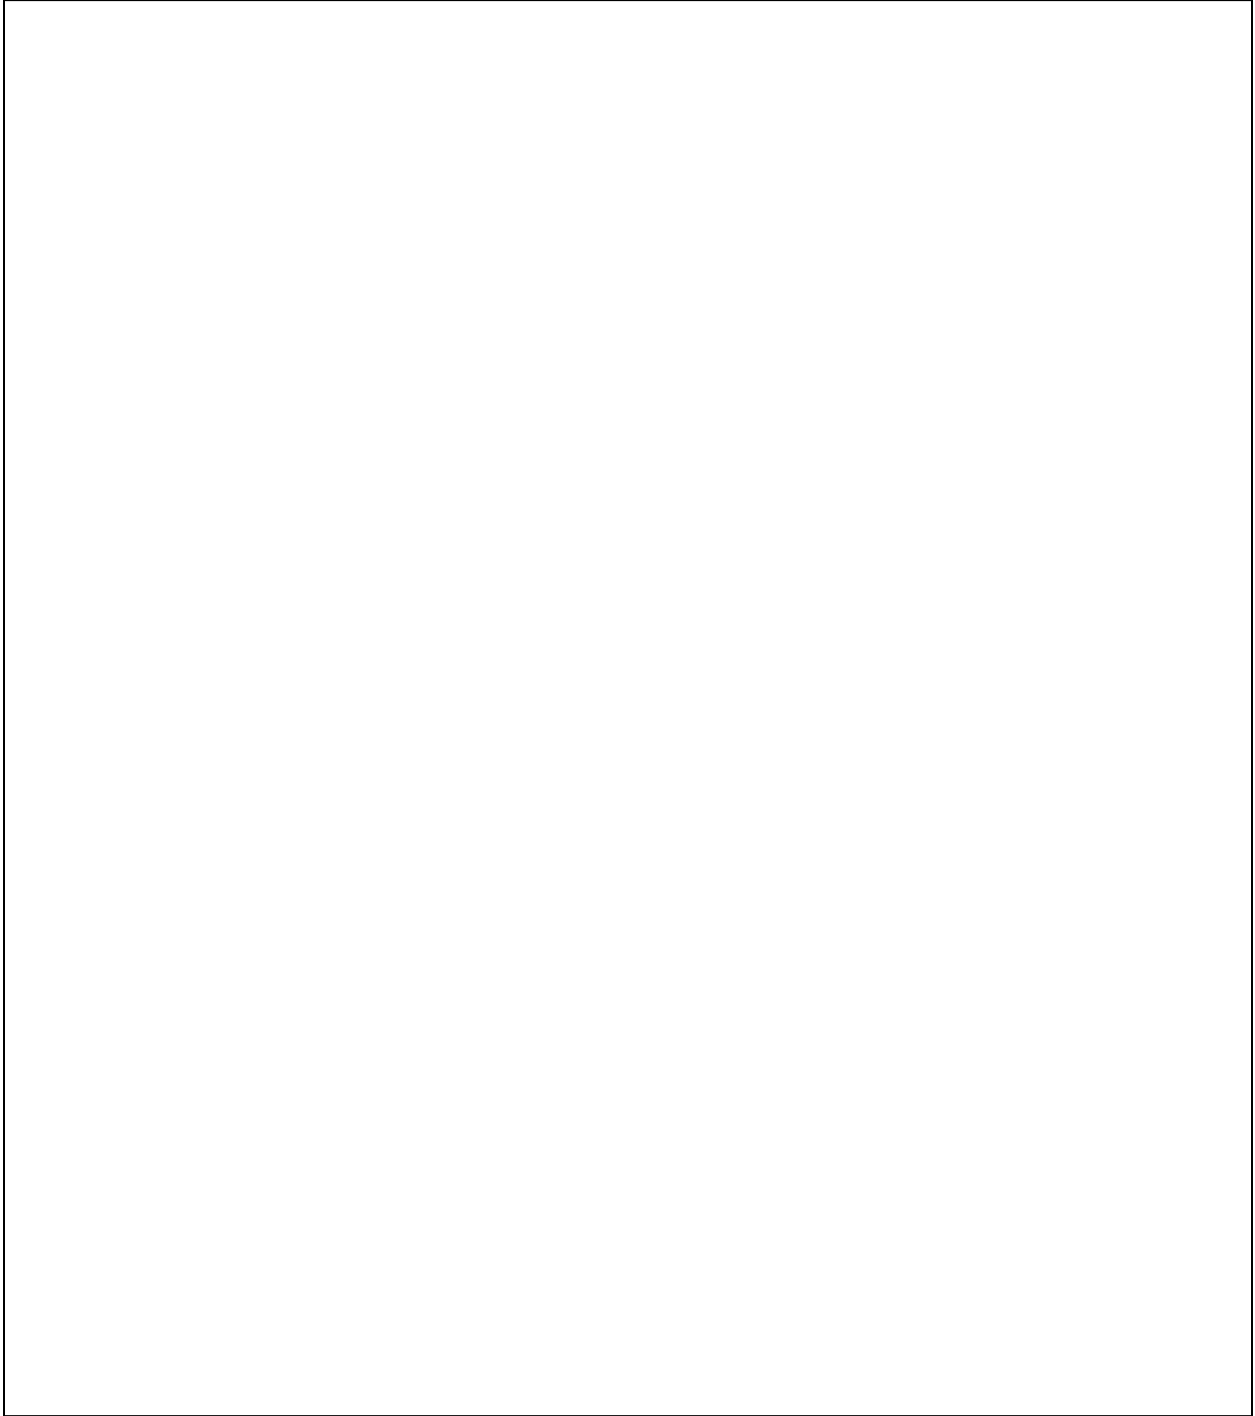

2. Make a list of the important places in your book as you read. Write a sentence or two explaining the significance of each place.

3. You will make a map of one or more place(s) on your list. Choose a place that is important to the story – perhaps where the most exciting event occurred. If a place is important, the author probably provided information about what it looked like.

4. Look in your book for descriptions of this place. Take notes of the details.
